CAPTRUST Makes *TBJ's* List of 2018 Fast 50 Winners

The *Triangle Business Journal* ranked CAPTRUST among the 50 fastest-growing private companies in the Raleigh, Durham, Chapel Hill area. Winners were selected and ranked based on a formula that counts revenue growth and profitability in the preceding three years.

The *Triangle Business Journal (TBJ)* ranked CAPTRUST among the 50 fastest-growing private companies in the Raleigh, Durham, Chapel Hill area. 2018 marks the sixth year that CAPTRUST has made the list.

The Fast 50 winners were selected and ranked based on a formula that counts revenue growth and profitability in the preceding three years (2015-2017). The numbers are crunched and analyzed by PricewaterhouseCoopers, a Fast 50 partner.

"Beyond bolstering the top-line performance and a nose for profitability, this list of companies represents the dynamic economic fabric of the Triangle," says Jason Christie, publisher of *TBJ*. "We have a mixture of private firms that have made this list for years, and we have companies making this list for the first time. Collectively, they reflect the best of the best."

On November 5, the *TBJ* will host the Fast 50 awards ceremony at the Raleigh Convention Center. Follow [this link](#), to read more (subscription may be required).
