

The CAPTRUST Community Foundation Announces 2024 Charity of Choice

Raleigh, N.C. – June 26, 2024 – The [CAPTRUST Community Foundation](#) (CCF), an employee-run 501(c)(3), today announced [Neighbor to Neighbor](#) as its 2024 Charity of Choice and the recipient of a \$100,000 grant. Additionally, five nonprofits were selected to receive CCF national grants of \$25,000 each.

Neighbor to Neighbor builds pathways to social and economic mobility for families stuck in poverty, through education and employment intervention and services. Based in Wake County, North Carolina, the organization provides after school enrichment and mentorship programs to more than 300 youth in grades 1–12, as well as 250 families.

“We are thrilled to be selected as the CAPTRUST Community Foundation’s 2024 Charity of Choice,” said Spencer Hathcock, program manager at Neighbor to Neighbor. “This donation will allow us to expand our teen programming by more than 30 percent, including the addition of college and career readiness courses, high school transition programs, and new mentorship opportunities.”

“We chose Neighbor to Neighbor because we could see the impact of their work in Wake County. We are proud to be funding their expansion to focus more on the needs of teens,” said Bryan Lewis, CCF co-president and account manager of CAPTRUST at Work.

In addition to Neighbor to Neighbor, the CCF selected these five nonprofits to receive national grants of \$25,000:

- [Children’s Cancer Partners of the Carolinas](#) provides crucial support and resources to children and their families as they battle cancer in the Carolinas.
- [Downtown Boxing Gym Youth Program](#) empowers young people in Detroit through education, mentorship, and the discipline of boxing.
- [Little Bit Therapeutic Riding Center](#) is a community based in Redmond, Washington where horses transform the bodies, minds, and spirits of people with disabilities through equine-assisted services including therapy, adaptive riding, and mental health and education programs.
- [Rosie’s House: A Music Academy for Children](#) provides free music education to underserved youth in Phoenix, Arizona, fostering creativity and opportunity.
- [Wonders & Worries, Inc.](#) in Austin, Texas provides free professional support for children and teenagers through a parent’s serious illness or injury, so that they can reach their full potential.

Founded in 2007, the CCF’s mission is to enrich the lives of children in communities we serve. Since its inception, the foundation has awarded over \$5.5 million in grants to charitable organizations across the country that help children. The CCF’s main source of fundraising is through voluntary employee payroll deductions that are matched by CAPTRUST.

“As a foundation, we are grateful that we can fund multiple worthy organizations across the country with donations and volunteers,” said Veronica Karas, co-president of the CCF and CAPTRUST financial advisor. “As CAPTRUST continues to grow, we hope to enrich even more children’s lives in our communities.”

In addition, CAPTRUST celebrated volunteer month in May, encouraging colleagues to leverage their paid volunteer hours throughout the community. In total, 896 volunteer hours were used, bringing the annual total up to 2,046.
