

The CAPTRUST Community Foundation Supports 75 Nonprofits on Annual Giving Day

Raleigh, N.C. – August 21, 2024 – The [CAPTRUST Community Foundation](#) (CCF) today announced \$10,000 donations to 75 charities across the country, totaling \$750,000, as part of the nonprofit's fifth annual Giving Day.

The CCF is CAPTRUST's 501(c)(3) foundation, with the mission of enriching the lives of children in the local communities that CAPTRUST serves. For this campaign, CAPTRUST offices identified local organizations representing causes that both benefit children and are important to the respective community.

"We began our annual Giving Day campaign in 2020, when there were so many nonprofits that needed help to just keep the lights on," said [Veronica Karas](#), co-president of the CCF, and CAPTRUST financial advisor. "Now, Giving Day has become a huge cultural milestone for CAPTRUST each year, and our offices take great pride in getting to support an organization in their backyard."

"Our mission to enrich the lives of children in the communities we serve can be achieved in so many different ways, and the Giving Day campaign is a great example of that," said Bryan Lewis, CCF co-president, and account manager of CAPTRUST at Work. "From the Special Olympics and Boys & Girls Clubs, to organizations that provide basic essentials and education, we know that each of these organizations will be able to make a direct impact."

Founded in 2007, the foundation has awarded over \$6.25 million in grants to charitable organizations across the country that help children. The CCF's main source of fundraising is through voluntary employee payroll deductions that are matched by CAPTRUST.
