

Four CAPTRUST Advisors Named to NAPA's 2018 List of "Young Guns―

The National Association of Plan Advisors (NAPA) announced the 2018 list of Top Retirement Plan Advisors Under 40—also known as "Young Guns" in January.

CAPTRUST's <u>Shaun Eskamani</u>, <u>John Frady</u>, <u>Christopher Kulick</u>, and <u>Andrew Shimp</u> were among the 75 advisors named to this year's list.

NAPA launched this list in 2014 to highlight these "Young Guns" because they "are widely seen as the future leaders of the retirement plan advisor industry."

When asked what drew him to the advisory firm and what keeps him there, Kulick said "Culture was the most important part of the decision for me: the way the organization is structured and aligned, and the collaboration among advisors. We do not compete against each other here," he says. "In some other organizations, it is very competitive."
