

NAPA Names 27 CAPTRUST Teams to Top DC Advisor Teams List

The National Association of Plan Advisors (NAPA) recently named 27 CAPTRUST teams to their prestigious Top Defined Contribution (DC) Advisor Teams list for 2021.

The Top DC Advisor Teams list recognizes the nation's leading retirement plan advisory firms with at least \$100 million in DC assets under advisement as of December 31, 2021. CAPTRUST added an additional team in 2021, giving the firm more spots on the list than any other retirement plan advisor firm recognized.
